Narrative

On 08/27/2019 at approximately 2226 hours, Officer Maxwell and I, Officer Green #126 observed an unlicensed black 4-door Volvo traveling westbound on Ninth Street crossing Sierra Street onto University Terrace. For the above reasons I determined that initiating a stop on the vehicle was warranted. The vehicle was occupied by two individuals.

I attempted to stop the vehicle at University Terrace and West Street. The vehicle continued driving westbound on University Terrace turning northbound on Nevada Street where the vehicle turned into a driveway of a residence that he did not reside in.

Upon contact with the driver, he appeared to be impaired, evidenced by delayed answers and slowed speech. I also detected the smell of an alcoholic based beverage coming from the vehicle. I requested the driver's license, registration and insurance from the driver. The driver could not provide the information that I requested, as he did not have a valid driver's license, insurance and had not registered the vehicle. At this time, I asked the driver if he had consumed any alcoholic beverages or if he was under the influence of any controlled substances. He responded, "No".

I asked the driver and the passenger for their names. The driver identified himself as Justin Page, and the passenger identified himself as Aaron Schmore.

At this time, I went back to my patrol vehicle and requested a 2nd unit.

Officer Sobkiewicz and Sergeant Conley arrived to assist.

Officer Sobkiewicz observed two unopened six-pack bottled beers on the passenger side of the vehicle. Officer Sobkiewicz spoke with Schmore about the smell of an alcoholic based beverage, to which Schmore said he had been drinking at his home prior to running to the store and getting pulled over.

UNR**Narrative**

At this time, I asked Page to exit the vehicle. Page continued to demonstrate signs of impairment, evidenced by his delayed answers and his inability to maintain his balance.

I explained to Page that I suspected that he was driving under the influence of alcohol and/or controlled substance, and I was going to conduct a series of test to determine his level of impairment. I also wanted to make sure that Page was okay to operate a motor vehicle.

Page agreed to the testing.

Horizontal Gaze Nystagmus Test

During the test, I observed a lack of smooth pursuit in both eyes, distinct Nystagmus at maximum and sustained deviation in both eyes, along with onset of Nystagmus prior to 45 degrees in both eyes.

Walk and Turn Test

During the test, Page could not keep his balance while I read the directions to him. I also observed Page stopped walking, miss heel toe, and step off line, and raise his arms throughout the test for balance, Page took 10 steps instead of 9 steps, and had an improper turn by taking the left foot off the line and pivoted in the wrong direction.

One leg Stand

During the test, I observed Page sway while balancing, at one point Sergeant Conley had to position himself behind Page to make sure he did not fall over. Page also used his arms to balance, and hopped during the test.

At this point, I asked Page if he would consent to a Preliminary Breath Test and Page agreed. Page provided a proper breath sample with a .000 Blood Alcoholic Concentration.

With Page still demonstrating signs of impairment, and based off his above results of the SFST test, I requested an RPD DUI unit to assist me with advice based on his experience with other controlled substances.

Officer Eason arrived to assist.

Officer Eason spoke with Page and asked him if he consumed any marijuana in the last hour. Page admitted to consuming marijuana an hour prior to the stop.

I placed Page in handcuffs and double locked them, and check them for tightness. I informed Page that he was under arrest for DUI Drugs.

I placed Page in my patrol vehicle, and read him the Nevada Implied Consent Admonishment. I explained to Page that I was requesting he provide blood for evidentiary testing to which he agreed.

Per Pages request his vehicle be legally parked by Officer Sobkiewicz and secured on Nevada Street facing northbound just west of the Cemetery.

I transported Page to the Washoe County Detention Facility's Breath Room, where at 2330 hours Phlebotomist Cherish Navarroza obtained two vials of blood from Pages left arm.

Narrative

On 8/28/19, at approximately 0030 hours, I was patrolling the area of Valley Rd and Sadleir when I observed a vehicle turning eastbound on Sadleir. I observed the vehicle had expired registration and while driving southbound on Wells Ave I ran the plate on my MDT and the plate came back suspended. I initiated a traffic stop on Spokane and 9th, eventually stopping at Spokane and 8th.

Upon contact with the driver, Richard Long, I informed him of the reason I stopped him and he informed me that he did not have his driver's license on him, or any insurance or registration for the vehicle. Long verbally gave me his information and I went back to my patrol car to confirm with dispatch that he had a driver's license and a conducted a warrants check. Upon conducting a warrants check, dispatch informed me that he had a suspended driver's license and confirmed that he had a misdemeanor warrant for contempt of court out of Reno Justice Court (Warrant# X01995988-1, dated 06/27/19).

Officer Green and Officer Maxwell came to cover me while I had Long exit the vehicle and explain that he was under arrest for his warrant.

The passenger of the vehicle, Long's girlfriend did not have a driver's license either, so she called a friend to come get her. Officer Green and Officer Maxwell stayed on scene as she contacted her friend.

The vehicle was left on scene, as it was legally parked.

Long was transported to Washoe County Detention Center without incident and booked.

Closed by Arrest.

Narrative

On 08-28-2019 at approximately 0907 hours while on uniform patrol I was dispatched to Truckee Meadows Community College (TMCC) for an administrator that was struggling with a student. While enroute, it was requested by the officer on scene that I expedite my response because the struggle had escalated to a battery with an uncooperative subject. I then activated my overhead lights and sirens and continued to the scene code 3.

Upon arrival I observed Detective Reid standing with two white male adults. One was tall and was identified as TMCC employee Anthony Futia. The other shorter subject was later identified as TMCC student Sean Miley. Futia was standing calmly while Miley seemed agitated and was aggressively pointing his phone at Futia and Detective Reid and throwing his arms into their faces and bodies. Miley was yelling something that I could not understand.

As Sergeant (Sgt) Galicia and I approached, Miley was told to calm down and that he was not free to leave. I then saw Sgt Galicia reach for Miley's left hand as if he was going to take a control hold of his arm. I then positioned myself behind Miley while I reached for my wrist restraints in preparation to detain Miley. As I stepped around Sgt Galicia I observed Miley pull his arm away from Sgt Galicia and then started to make a motion as if he was going to strike Sgt Galicia in the face with the back of his fist. Sgt Galicia then used a control hold that I recognized from my training and experience to take Miley to the ground.

While on the ground Miley continued to resist by keeping his arms and hands under his body even though he was ordered several times to stop fighting police and stop resisting. I then took control of Miley's right arm by reaching under his body and prying it behind his back. After obtaining control of Miley's arm and with Detective Reid's assistance a wrist restraint was placed his right wrist. Sgt Galicia then pulled Miley's left arm from under him and secured it so we could put the left wrist restraint on Miley's left wrist. Miley continued to yell that his neck was broken and that he could not breathe.

After the wrist restraints were applied Miley continued to move his body side to side and kicked his legs in a combative manner. To protect the other officers, Miley and myself I took control of Miley's legs by crossing his left leg behind his right so his left ankle was behind his right knee. I then applied pressure to his right lower leg by pushing it toward his upper body in a "figure four" fashion which is a technique that is taught at the POST academy and other defensive tactics courses.

While I was holding Miley's legs in place he continued to struggle by moving his head, body and legs from side to side as if he was trying to roll to his back. Miley's actions caused his right knee to rub on the concrete creating an

abrasion that was later cleaned, bandaged and cleared by Renown medical personnel.

Throughout the altercation Miley was ordered to stop resisting and to remain calm. Miley continued to resist while yelling that he had a broken neck and that he could not breathe. Officers were able to slightly roll him to his side to assist with his breathing but Miley was advised that he would be put in a more comfortable position once he calmed down and stopped resisting. Miley continued to struggle for several minutes and finally calmed down from fatigue. Miley was then assisted into a sitting position until REMSA arrived on scene.

While REMSA attempted to evaluate Miley's medical condition Miley continued to yell and refused to answer simple questions. A short time later Miley agreed to go to Renown Hospital to get cleared by medical personnel. Miley was then assisted onto the gurney and transported to Renown in wrist restraints. I escorted Miley in the back of the ambulance while Sergeant Galicia followed in the patrol vehicle. While enroute to Renown Miley continued to refuse to answer simple questions asked by the REMSA paramedic.

While at Renown Miley was rude to the hospital nurses by talking over them and continuously interrupting them as they tried to speak to him about his situation. Approximately three hours later, Miley was cleared for incarceration when a CT scan revealed that there was no new or significant damage to his head and neck.

It should be known that while Miley was waiting to get medically cleared he voluntarily stated that he was involved in a motor vehicle accident in Hawaii approximately three ago that severely injured his neck. Miley stated that he was still under a doctor's care and a consultation for neck surgery.

After being cleared by medical personnel, Miley was transported to Washoe County Jail without further incident. Miley was booked for violations of NRS 200.481.2 Battery (x2) and Battery on Protected Person (x2), NRS 199.280.3 Resist Public Officer- Physical. A copy of the probable cause report is attached to this report.

While Miley was getting medically cleared a written statement was collected from TMCC employee Anthony Futia who was identified as a victim to battery at least twice. Futia's statement is attached to this report. Below is a synopsis of his statement.

Futia stated that Miley was belligerent to TMCC staff yesterday and today. Futia references an August 27, 2019 email that states Miley was being confrontational to TMCC staff and that the TMCC employee no longer wants to meet with Miley alone. This email is attached to Futia's written statement.

Futia stated that he made contact with Miley at 0900 hours on 08-28-2019 to speak to him about several complaints that were received in regards to his behavior with professional staff. Futia stated that he saw Miley in the assembly area of the Red Mountain Building and approached him. Futia stated that he put his hand on Miley's shoulder and called out his name at which time Miley turned quickly to his left and with his left arm raised to his shoulder said "Don't fucking touch me!" Futia told Miley to calm down and introduced himself at which time Miley told Futia to "stay the fuck away from him", "don't fucking touch him" and "who the fuck do you think you are?"

Futia stated that he tried to calm Miley down while Miley was walking out of the building. Futia stated that he got in front of Miley and Miley pushed him. Futia stated that he was in fear of Miley hitting him so Futia placed his left arm underneath Miley's left armpit and leg swept Miley to the ground.

Futia stated that once he got Miley to the ground he called out to several students to have them call University Police Services. Futia stated that he let Miley up and Miley walked out of the South doors of the Red Mountain Building. Futia told Miley that he was going to have him removed from campus by University Police Services at which time Miley continued to scream and pushed Futia in the chest several times.

Futia stated that he then saw Detective Reid Approach and identify herself as a police officer and showed Miley her badge. Detective Reid then told Miley that he was not free to leave at which time Miley pushed Detective Reid with his right hand several times and screamed "Get the fuck away from him."

Detective Reid and Futia followed Miley to the center of the outdoor quad when they heard sirens approaching.

Futia stated that when the other officers arrived on scene Miley became combative with the officers and they physically restrained him.

Contact was then made with TMCC employee Thomas Kearns who was identified as a witness to Miley's actions. Kearns written statement was collected and attached to this report. The below is a synopsis of Kearns written statement.

Kearns stated that he could hear yelling coming from the student center while he was in his office. After checking on the yelling he observed Miley screaming at Futia and getting into Futia's face. Kearns observed Futia put his hands up in a defensive position to stop Miley. Kearns stated that a short time later a female officer (Detective Reid) joined the scene and identified herself as a police officer and tried to deescalate the situation. Miley ignored the police officer's attempts and pushed passed her at which time the police officer and Futia followed Miley until they were out of Kearns' observable view.

Contact was then made with TMCC student Madison Munson and TMCC employee Camille Vega who had similar statements which are attached to this report. Below is a synopsis of both statements.

The witnesses stated that they observed Miley, who they identified by his description, yelling and acting aggressive toward Futia. Both witnesses stated that they saw Miley attempt to hit Futia and continued to yell at him until the two men left the building.

Contact was also made with TMCC Employee Kaylene Brady, TMCC Employee Olga Mesina and TMCC Gracie Delatorre who all stated that they dealt with Miley earlier in the morning where he seemed agitated however, they did not see the physical altercation between Miley and Futia because they were not in the area. See the attached reports for further detail.

See supplemental report 01 of this report for Detective Reid's statement.

Narrative

On Wednesday, August 28, 2019 at approximately 0900 hours, I was working a detective assignment at Truckee Meadows Community College. At this time, the phone at the front desk rang and an unidentified citizen stated that there was "an administrator in a struggle with a student outside of the Academic Advising Center". I clarified the location as outside of the Red Mountain Building.

I immediately notified dispatch that I was enroute to a fight in progress and requested another unit.

Upon my arrival, I observed TMCC Student Conduct Officer, Tony Futia, physically restraining an adult male subject, in a twist lock hold, who was verbally arguing with Futia. The subject would be identified later, as TMCC Student Sean Miley by a Hawaii Driver's License.

As I approached, I identified myself as an officer and put a hand on Miley's left shoulder and asked him to sit down. He asked to see my badge, to which, I directed his attention to my right hip. Miley refused to sit and pushed past me with his right hand. I advised him that he was not free to leave and that I was giving him a lawful order to sit down. Futia and I attempted to keep Miley contained until my cover arrived.

Miley was becoming increasingly agitated and began filming Futia and myself. He was claiming that Futia and I were assaulting and battering him while on the phone with emergency dispatch. I grabbed Miley by the wrist and he again pushed past me. At this time, Miley began walking toward the circular cement area between the Red Mountain and Child Care Building, all the while still on the phone with emergency dispatch. Neither Futia nor I were physically restraining or attempting to touch him at this point in time, but I was walking a few steps in front of him and Futia was following a few steps behind him. I updated my location with dispatch and Sergeant Galicia and Officer Olson arrived on scene shortly after.

When Sergeant Galicia and Officer Olson arrived, Sergeant Galicia grabbed Miley by his left hand, which was holding his backpack. Miley attempted to pull his arm away and appeared to turn to prepare to strike Sergeant Galicia. At that time, Sergeant Galicia took Miley to the ground. Officer Olson and I assisted Sergeant Galicia

UNR**Narrative**

with getting Miley into handcuffs. He was resisting Sergeant Galicia while he attempted to gain control of his right hand by attempting to move his body back and forth. Officer Olson grabbed Miley's feet and placed them into a "figure four" hold. Sergeant Galicia was able to get handcuffs on Miley, however, Miley was still combative and extremely agitated. He was yelling that his neck was broken and that he could not breathe. Miley was yelling and still writhing on the ground. He was given instructions to stop moving and we would move him to a seated position. Miley refused to comply with orders, and continued to resist, so Sergeant Galicia remained in a position where he could control the top half of Miley's body and Olson remained in the "figure four" hold. I requested a wrap, but by the time a wrap arrived on scene, Miley had calmed down and had been moved to a seated position.

REMSA came to the scene to begin an assess Miley.

At that time, I went to speak with Futia. He said he would provide a statement regarding what had occurred and that he would be preparing an Emergency Removal Letter for University Police Services to serve to Miley. I returned to the TMCC Substation where I collected several witness statement forms. I dropped a statement at Tony Futia's Office and returned to the cement circle outside of the Red Mountain Building and handed a statement to a Facilities Services Employee I saw standing near where the initial fight took place.

I was told Miley was being transported by REMSA to the hospital and that Officer Olson would be riding with him.

Narrative

On 09/03/2019 at approximately 0038 hours, Officer Maxwell and I Officer Green were conducting an area check of 505 Keystone Ave (Westside) when I noticed a body lying on the ground near the conex boxes. For the above reason's I determined that conducting a welfare check on this individual was warranted.

I approached the individual and noticed he was a white male adult. Before awaking the subject I noticed an

opened half full alcoholic based beverage (Mickey's 24oz Beer) lying next to the individual. I also noticed a small backpack that the subject was sleeping on and a netted vest with several pockets. After I noticed the alcoholic based beverage, I woke this individual up and announced that it is the police.

The subject awoke and shaped his hand in a form of a gun and began to shoot it. I told the subject to calm down and announced that it was the police. I immediately explained to the subject, I was contacting him because he was lying on the ground not moving, and I wanted to make sure that he was okay.

After speaking with the subject about the reason for contact, I asked him if he had any weapons on his person. He responded, "No".

I also asked the subject if the alcoholic based beverage (Mickey's 24oz beer) next to him belonged to him and had he been consuming it. The subject admitted that it was his, and he had been consuming the alcoholic based beverage.

At this point, I asked the subject for his name, date of birth and social security number. The subject identified himself as "James Bird", DOB: 12/18/2019 and he could not remember his social security number.

I wanted to conduct pat down search for weapons, because Bird was wearing a long sleeve button shirt and I could not identify if had any weapons on his person. At this point, I requested a second unit for cover in order to conduct a pat down for weapons.

Officer Sobkiewicz and Sergeant Conley arrived to assist.

I requested Officer Sobkiewicz to conduct a records check through dispatch to confirm "Birds" identity.

While Officer Sobkiewicz was conducting a records check on "Bird", I initiated my pat down for weapons and found no weapons on Birds person.

After I completed my pat down check, dispatched informed Officer Sobkiewicz that James Bird was clear no match for Nevada, but they found a James Bird out of California with a description that did not match the subject we were encountering. Dispatched described the James Bird out of California to have a DOB of [REDACTED] with black hair weighing 240lbs and 5'11 in height.

Officer Sobkiewicz ask "Bird" if he ever weighed 240lbs in the past. "Bird" denied ever weighing 240lbs.

I asked "Bird" if he could spell his first and last name out again. "Bird" again spelled out the name above. I also asked "Bird" where he was from. "Bird" responded, "Washington".

At this point, I requested dispatch to check Washington to confirm a James Bird with a DOB of [REDACTED]

Dispatched informed me that the name James bird with a DOB of [REDACTED] was clear no match for Washington. Dispatch also informed me that they checked all western states for James Bird and it was clear no match.

Officer Maxwell asked "Bird" several times if he had any information that could confirm his identity. "Bird" responded, "No".

At this point, Officer Maxwell explained to "Bird" that he would have to be taken into custody, because we could not identify him. Officer Maxwell also explained to "Bird" that the Washoe County Detention Facility would complete a W.I.N.'s check on him to confirm his identity. Officer Maxwell explained to "Bird" that if his identity was confirmed then he would be released if not then he would be charged for Obstructing a Public Officer.

At this point, I placed "Bird" in handcuffs double locked them and checked for tightness.

I placed "Bird" in my patrol vehicle.

Prior to transporting "Bird" to Washoe County Detention Facility Officer Maxwell and Officer Sobkiewicz conducted an inventory of his property.

While conducting an inventory of "Birds" property Officer Maxwell found a clear baggy with a crystalline like at the substance. Officer Maxwell also found a Clarity card from Human Services and many other cards that identified "Bird" as Jamel Byrd with a DOB of [REDACTED]

UNR**Narrative**

During the inventory of Byrd's property, Officer Sobkiewicz also located a cigarette box with a crystalline like substance as well and a marijuana pipe in Byrd's possession. See Officer Sobkiewicz supplement for further details.

I had an available test kit and tested the crystalline like substances that was found in Byrd's possession. The both substances presumptively tested positive for methamphetamine.

After Byrd was officially identified, I requested dispatch complete a records check of the name Jamel Byrd. Dispatch informed me that description matched the name, and Byrd had a non-extraditable warrant out of Montana.

After Byrd was identified and I completed testing, I transported Byrd to Washoe County Detention Facility. While Washoe County Sheriffs were conducting their inventory search they located another marijuana pipe in Byrd's possession. I took possession of the second pipe and placed it in a manila envelope.

Byrd was booked without incident.

I transferred the methamphetamine from the clear small baggie into another clear small baggie. The methamphetamine and the baggie combined a weighed a total of 0.3grams. The methamphetamine and both marijuana pipes were booked into evidence, and placed in evidence locker #2.

Six pictures were added to Veripic.

Bodycam footage is available upon request.

**** Supplement to the original ****

On 9/3/19, at approximately 0040 hours, I arrived on scene to assist Officer Green and Officer Maxwell with their call. After multiple unsuccessful attempts to try and Identify the subject (Officer Green was given the name James Bird - DOB [REDACTED]), later identified as Jamel Byrd - DOB [REDACTED], Officer Green placed Byrd in custody.

While assisting Officer Green and Officer Maxwell to inventory the property belonging to Byrd, I came across a cigarette box inside Byrd's vest, containing three cigarettes and a white/yellowish crystal like rock inside the box. Both the crystal like rock and another crystal like rock found within his property tested presumptively positive for methamphetamine.

I also discovered a glass pipe in Byrd's vest which appeared to be used to smoke marijuana with burnt marijuana residue still in the pipe.

Modus OperandiCrime Code(s)
Narcotics**Narrative**

On 9/3/19, at approximately 2130 hours, Sgt. Conley received a call on the duty phone from UNR student Emily Ostfeld stating an older gentleman wearing a baseball hat and a beard was offering students to get high in the area of Lawlor Events Center.

Upon arrival on scene contact was made with a subject matching the description at the bus stop south of Lawlor Events Center. The subject was identified as James Cline. I immediately noticed a strong marijuana odor coming from his person. Cline denied offering students to get high, however he had marijuana on the bench next to him as well as showed me the can he had used to smoke the marijuana.

Once Officer Green arrived on scene I conducted a pat down search for weapons. While patting Cline down for weapons, he gave me consent to pull out any items I couldn't identify. I pulled out two small bags and the burnt end of a marijuana cigarette. After handing it off to Officer Green, he noticed that one bag contained marijuana and the other contained a crystal like substance. Cline was then detained and placed into handcuffs while we conducted presumptive tests to identify the substance.

After testing the crystal like substance, it tested presumptively positive for methamphetamine. I then placed Cline under arrest for the Possession of a Controlled substance - Methamphetamine and Possession of Marijuana less than one ounce.

UNR**Narrative**

After conducting a warrants check, dispatch also informed me of a confirmed No Bail Felony Probation warrant out of 2nd Judicial Court (Warrant #CR190324, 7/30/19).

Both the marijuana and the crystal like substance was booked into evidence.

Bodycam footage available.

3 photographs uploaded to VeriPic.

Closed by Arrest.

Narrative

On 9/4/19, at approximately 0215 hours, Sgt. Conley and I were traveling northbound on N Virginia when I observed a vehicle traveling southbound on N Virginia St. attempt to make a left hand turn eastbound onto 8th St., which is a westbound one way only. The vehicle almost collided with my patrol car and I turned around to initiate a traffic stop. The vehicle was a Honda Hatchback, license plate 434K62, continued down 8th St. eastbound.

While I was attempting to stop the car, the vehicle turned into the Walgreens parking lot and came to a final stop in the travel lane portion of the parking lot.

I made contact with the driver, and sole occupant, identified as Michael Taylor-Shortt. I advised Taylor-Shortt the reason of the stop and asked for his driver's license, registration and insurance. At this time I noticed the odor of an alcoholic beverage coming from the vehicle. I also noticed a Brew Brothers' wristband on Taylor-Shortt's left wrist. I asked Taylor-Shortt if he had been drinking tonight. Taylor-Shortt stated that he had two AMF's and two beers over five hours with slightly slurred speech. I asked where he had been drinking and he said the Circus Circus and confirmed he was at Brew Brothers. I asked if he knew what time it was and he claimed to be about 0100 hours. I then asked for a second unit to administer Standardized Field Sobriety Tests (SFSTs).

Once Officer Green arrived on scene.

I had Taylor-Shortt exit the vehicle. I continued to smell the odor of an alcoholic beverage coming from his person. I then began to read the medical questionnaire. Taylor-Shortt stated that he had no medical conditions, injuries, and only took medication for blood pressure.

The first test conducted was the Horizontal Gaze Nystagmus Test. Initially starting the test he followed my finger by moving his head as well. I had him straighten his head and restarted the test. During the test I observed a lack of smooth pursuit in both eyes, distinct and sustained nystagmus at maximum deviation in both eyes, as well as nystagmus prior to 45 degrees in both eyes.

While conducting the Walk and Turn test I observed that Taylor-Shortt could not keep balance while he was in the starting position during the instruction phase. Then while conducting the test he raised his arms for balance, missed heel-to-toe, stopped walking to regain his balance, and conducted an improper turn by not taking several small steps and had to catch his balance during the turn.

While conducting the One Leg Stand test, I observed Taylor-Shortt using his arms to keep balance. He also repeated while counting "One thousand fifteen".

After the administration of the SFSTs, Taylor-Shortt agreed to do a Preliminary Breath Test (PBT). The PBT results were .166 BAC at 0240 hours. (PBT SN# 12140067, calibration date 6/13/19). I advised Taylor-Shortt that he was under arrest for Driving under the Influence of Alcohol.

Before transporting Taylor-Shortt up to the Washoe County Detention Facility for evidentiary testing, I read him the Nevada Implied Consent off of the SFST sheet. He agreed to provide breath for testing.

Taylor-Shortt's vehicle was parked on scene with permission from him and the Walgreens manager Anthony Jonathan.

Once in the breath room at the Washoe County Detention Facility, I followed the Intoxilyzer checklist. I confirmed that there was nothing inside Taylor-Shortt's mouth that would interfere with evidentiary testing and began my observation period at 0303 hours. During the fifteen minute observation period I didn't observe anything that would cause the test to be invalid and restart the observation period.

Rel. To David Cutile

After the observation period I continued to follow the Intoxilyzer checklist, and began the evidentiary testing. The first test Taylor-Shortt blew a .124 BAC at 0321 hours. The second test Taylor-Shortt blew a .134 BAC at 0324 hours.

Taylor-Shortt was then medically cleared and booked into Washoe County Detention Facility without incident.

Body camera video available.

Narrative

On 8 September 2019 at approximately 0738 Hours I, Officer Stewart, was on duty in uniform and a marked patrol car with Officer Baker conducting an area check of 505 Keystone.

While checking the rear of the building, I observed a subject later identified as Raymond SIMS moving through the area. SIMS appeared to be stumbling. Due to the high volume of burglaries in the area, I made contact with SIMS to identify him.

A records check found several warrants for SIMS from Arkansas and New Mexico, as well as one from Sparks Municipal Court for failure to comply with a court order. The warrant was confirmed and I placed SIMS into handcuffs.

SIMS was placed into my patrol car, transported and booked into Washoe County Detention Facility without incident.

This incident was filmed on Officer Baker's body camera.

Narrative

On Saturday September 21, 2019 at approximately 0318 hours, I (F. Syfrett #120) was stopped at a red light southbound at N. Virginia Street, and 9th Street. I observed a vehicle driving northbound approaching the intersection, they then turned eastbound onto 9th Street, and their rear right tire hit the curb creating sparks.

I was able to follow the vehicle, where I saw all three occupants outside of the vehicle looking at the damage. The

UNR

Narrative

male, later identified as UNR student, Melvin Valle-Amaya got into the driver's side seat, started the vehicle and begin to pull forward. I conducted a traffic stop, as I noticed this and observed their tire had been damaged and flat.

When I approached the vehicle I could detect an odor of an alcoholic beverage coming from the vehicle, and Valle-Amaya had red watery eyes, and slightly slurred speech. When I asked him if he had been drinking he said "two", going into more detail he explained he had two beers at El Jefe's. The passenger in the front seat who identified herself as Ariana Martinez, said she had been drinking, and the passenger in the back, who identified herself as Jacqueline Valle stated that she was probably the most sober of the three.

At this time I instructed Valle-Amaya to shut off his vehicle, and requested a second unit for field sobriety tests (FSTs).

While waiting for cover, I observed Valle-Amaya begin to drink a bottle of water, I pulled Valle-Amaya out of the vehicle as Officer Carlton arrived on scene.

Valle-Amaya used his door for assistance as he was exiting the vehicle, and I noticed him stumble once or twice as we got to the flat surface of a sidewalk.

I began FSTs by reading the DUI investigation field notes form to Valle-Amaya. Valle-Amaya stated he did not have any sickness, injury, or chronic medical condition. He is not more than 50 pounds overweight, not diabetic, and has no inner ear problems. Valle-Amaya is not prescribed any medications, and claimed to not use any drugs.

Valle-Amaya stated he was near UNR and downtown, and believed it was around midnight.

Officer Carlton left the scene, and Officer Olson arrived to assist.

The first test conducted was the horizontal gaze nystagmus test (HGN), Valle-Amaya had equal tracking and equal pupil size. Valle-Amaya showed signs of lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation for a minimum of 4 seconds, an onset of nystagmus prior to 45 degrees, and vertical nystagmus, all in both eyes.

The walk and turn test complete by Valle-Amaya showed several signs of impairment. He was unable to balance during the instruction period. When the test began he missed heel-to-toe steps and stepped off the line in all 14 of the first steps down the line, even after several reminders to walk heel-to-toe. He completed an improper turn, by not taking several small steps, and completely stopped moving once turned around. On the way back he completed 13 steps, and missed heel-to-toe and the line as well.

Valle-Amaya was unable to complete the one leg stand test after I gave him two chances, thinking he did not understand the instructions. Valle-Amaya continued to raise his foot 2-3 feet above the ground instead of 6 inches. When told to lower his foot to the required 6 inches he continuously put his foot down, hopped, swayed and used his arms for balance. He would completely stop the test once his foot was down, had to be reminded several times what the exam was even after he stated he understood the instructions.

Valle-Amaya consented to a preliminary breath test at 0339 hours which resulted in a 0.153%. Valle-Amaya was placed under arrest for driving under the influence, first time alcohol. When I explained this to Valle-Amaya he became extremely emotional.

I read Valle-Amaya the evidentiary testing request directly from the sheet, he asked me to repeat it to him a second time. And I still explained each piece individually, and explained I could not give him my opinion. Valle-Amaya agreed to submit a breath test.

Valle-Amaya was transported to the Washoe County Sheriff Office jail, where I began a 15 minute deprivation period starting at 0403 hours. The first results were a 0.165% at 0421 hours, and the second results were a 0.147% at 0424 hours.

I served Valle-Amaya his DP-45 form, but was unable to seize his driver's license as he claimed to have lost it at El Jefe's.

While Valle-Amaya was waiting for photos and prints to be taken, he fell asleep on the holding cell floor, and woke

Narrative

On 09/23/2019 at approximately 2039 hours, I (Officer Green) was conducting an area check of University Property located at 505 Keystone Ave.

Upon arrival, I noticed a white female adult and a male adult sitting near the connex's just west of the 505 Keystone address.

I initiated contact with the individuals.

I asked the two individuals if they would provide identification. The female adult identified herself by a Nevada Identification card as Amy Presley. The male adult identified himself by his Nevada Driver's License as Vaughn Stewart.

I conducted a records check of Presley and Stewart through Dispatch. A short time later, I was informed that Presley had a warrant for Failure to Appear out of Reno Municipal Court. Stewart was clear always.

I then contacted Presley and placed her in handcuffs, double lock and checked for tightness. The warrant for Presley was confirmed through RPD Records.

Presley was placed under arrest for her warrant and transported to the Washoe County Detention Facility without incident.

Narrative

On 9/23/19, at approximately 2300 hours I was patrolling the area of N Virginia and College Dr. when I observed a white sedan travelling northbound on N Virginia with no license plates. While following the vehicle, I paced the vehicle at about 40mph in a 25mph zone. I also observed the vehicle fail to maintain the lane between College Dr. and 15th St. by crossing over the center double yellow line with his left side tires, correct abruptly, then cross over the dotted white lines with right side tires and again, correct abruptly. At this time I initiated a traffic stop and the final stop was at 1665 N Virginia St. in the 7/11 parking lot.

Upon contact with the driver and sole occupant, identified as Bruce Chavez, he was unable to provide a driver's license. While getting his information verbally from the passenger side, he spoke slowly with slightly slurred speech and had a light odor of an alcoholic beverage from the vehicle. When I asked where he was coming from,

UNR

Narrative

he stated he just left work at The Depot Brewery. I went back to my patrol car to check with dispatch to confirm if he had a valid driver's license and to conduct a warrants check. Dispatch advised me that he had a surrendered driver's license.

Officer Green arrived on scene to assist.

Upon my second approach, I approached the driver's side of the vehicle and there was a much stronger odor of an alcoholic beverage while speaking with Chavez.

I asked Chavez to exit the vehicle to perform SFSTs to ensure he was safe to be driving. While exiting the vehicle Chavez was unsteady on his feet and while closing the door he leaned on his vehicle for balance. When he came back to me I continued to smell the odor of an alcoholic beverage upon his person.

Before conducting the SFSTs, I asked Chavez if he had been drinking since I smelled an alcoholic beverage upon his person. He stated that he had two beers and a shot about an hour and a half prior.

The first test I conducted was the Horizontal Gaze Nystagmus test. During the test, Chavez had a lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, onset of nystagmus prior to 45 degrees and vertical nystagmus in both eyes.

The second test I conducted was the Walk and Turn test. Chavez started too soon and could not keep his balance during the instruction phase. During the test, Chavez stopped walking, and missed heel to toe steps. He also conducted an improper turn by pivoting in the wrong direction, and didn't take several small steps as demonstrated.

The third test I conducted was the One Leg Stand test. During the test, Chavez swayed while balancing, and put his foot down twice. After the second time of Chavez losing balance, the test was stopped for his safety.

At this time Chavez consented to a preliminary breath test with a result of .301% BAC. (PBT#12140067, Calibrated 6/13/19)

Based on the driving pattern and performance on SFSTs, Chavez was placed under arrest for DUI alcohol 1st. I read the Nevada implied consent and Chavez consented to breath testing. Chavez was transported to Washoe County Detention Center for evidentiary breath testing.

While in the breath room, I made sure Chavez's mouth was clear of any objects. I began my observation period at 0006 hours on 9/24/19. Nothing happened during the observation period that would invalidate the testing.

The first test was conducted at 0024 hours, with a result of .278% BAC. The second test was conducted at 0027 hours, with a result of .279% BAC.

Chavez was then booked into Washoe County Detention Facility without incident.

Bodycam footage available.

Closed by arrest.

Narrative

On 9/24/19, at approximately 0240 hours, I observed a male on a bicycle turn Southbound from 11th st. to N Virginia without stopping for a stop sign and had no headlight or tail light/reflector.

Upon contact with the male, he identified himself as Michael Alarcon verbally. Alarcon had a poket knife in his hand, so I had him set it down and then dismount the bicycle and asked Officer Green to conduct a external weapons patdown.

I asked dispatch to do a warrants check, and I was advised that there was a confirmed warrant for failure to appear out of Reno Municipal Court (#19TR-10680-w01). At this point I placed Alarcon under arrest for the warrant.

The serial number on the bicycle checked okay, so it was booked for safekeeping at UNRPD and Alarcon was given a property receipt to retrieve it upon release.

Alarcon was transported to Washoe County Detention Facility without incident.

Bodycam footage available.

Closed by Arrest.

Narrative

On 26 September 2019 at approximately 0852 Hours I, Officer Stewart, was on duty in uniform and a marked patrol car with Officer R Baker. While conducting an area check of 401 West 2nd Street, I came into contact with a suspicious person. While I was running a records check on the individual, Officers Olson and B Baker arrived to back me up. Officers B Baker and Olson made contact with two other individuals who had been watching my contact but began walking away in the roadway when they saw other Officers arrive. My subject checked clear and was released, I moved to back up Officers Olson and B Baker.

The two subjects, later identified as Travis STRATTON and Branden ADAMS were stopped for walking down the middle of Church Lane not on the sidewalk. STRATTON was forthcoming with his identifying information, checked clear, and was released. ADAMS was actively hostile with Officers, refusing to speak with Officer R Baker, or answer questions when information he provided returned clear no match from records.

I asked ADAMS several times if he knew his social security number, which he claimed he did not know. ADAMS

also refused to clarify the identifying information he had provided to ensure it was accurate. ADAMS was placed under arrest for walking upon the highway and refusing to identify himself. ADAMS was placed into handcuffs and the back of my patrol car without incident.

An inventory search of his property found a meth pipe and a bent spoon. ADAMS was informed he was being charged with walking upon the roadway and possession of drug paraphernalia. ADAMS repeatedly asked to have the situation explained to him, and stated that he wanted to be released. ADAMS was transported to Washoe County Detention Facility (WCDF). Upon arrival, ADAMS yelled out his social security number and asked to be released. ADAMS refused to repeat the information so it could be checked. Washoe County Booking was able to identify him by his tattoos and some of the information he originally provided.

ADAMS was booked into WCDF without further incident.

This incident was recorded on my and Officers B Baker, and Olson's body cameras.

Narrative

On 09/27/2019, I, Officer Carlton conducted an area check of 805 North Lake Street. Deputy Chief James arrived on scene as cover. When approaching the entrance to the residence, the front door appeared to have been forcibly opened and damaged in the process. Due to this we conducted an interior search of the building. After making entry, I made contact with an African American male sleeping on a mattress in the first bedroom searched.

The male, later identified as non-student Lawrence Dobbins, cooperatively followed verbal commands to roll onto his stomach and place his hands behind his back.

Dobbins was detained while Deputy Chief James searched the rest of the residence. His search produced negative results for other occupants. Due to the posted no trespassing sign on the residence, Dobbins was placed into custody for Unlawful Occupancy (NRS 205.0817 NOC 58734) without incident.

Dobbins requested that his belongings, a black LSU backpack, be retrieved from the residence. The backpack contained a collection of paperwork which was left in the backpack and transported to the Washoe County Detention Center with Dobbins without incident.

The entire incident was recorded on my body camera. Dobbins was Trespassed from all UNR properties, provided with a paper copy of the Trespass warning, and explained the parameters of the Trespass before being booked for the above charge.

Narrative

On 09/28/2019, I, Officer Carlton responded to Deputy Chief James who was conducting an area check of the 800 block of north Center Street. While on the West side of the UNR owned buildings in the alley, I observed a subject walk eastbound across the alley and enter one of the buildings. Officers called the subject out of the side yard who, along with two other subjects, exited the side yard. Contact was made with non-students Freddy Argueta, Lydia Bonta, and Eric Celaya.

A wants and warrants check of all the subjects produced a failure to appear warrant for Celaya. While the warrant was being confirmed, Celaya was detained while Bonta and Argueta were released. Reno dispatch informed me that the warrant was confirmed and Celaya was placed into custody for the failure to appear warrant (NRS 199.335.2 NOC 57895 warrant #19CR-11899-W01). Celaya was transported to the Washoe County Sheriff's Office without incident.

The entire incident was recorded on my body camera.

Narrative

On September 28, 2019 at approximately 1811 hours, while working the UNR Homecoming Football game, officers were notified that there was a subject causing a disturbance in section 9. This subject had ran past security without showing a ticket, this was the only information provided at the time.

Officer B. Baker, located the subject in section 1. The subject later identified himself as, UNR student, Edsel Bester II. Officer Baker was with a guest services employee, and stated over the radio that this subject was going to cause a problem.

Officer Olson, Officer Stewart, Officer Sobkiewicz and myself (F. Syfrett #120) located Officer Brandon and made contact with him and Bester. I noticed a sign in Bester's hands that had a lot of phrases on it, but the two things I saw were "ICE", and "overthrow Trump!"

When I arrived an unknown guest services employee told me that "all he wants to do is go to jail at this point". There was conversation between Officer Baker and Bester that I did not hear, besides that Bester did not want to go. Officer Baker informed me that guest services had trespassed him, I told Bester that at this point he couldn't stay so he would need to leave by himself or we would have to take him out of the stadium. Bester began to look around and over the ledge of the fence on the top stands, and stated "arrest me". Officer Baker went to go hands on when Bester spit in his face. During this initial hands on encounter Officer Baker had his knee injured. Bester continued to spit on officers several times, making contact with Officer Stewarts face, he then bit the knee of Officer Sobkiewicz through his pant leg, breaking the first layer of skin. Bester made several statements during the struggle about overthrowing the government, "fuck the police", America is a racist state, and that there was no freedom of speech.

We were able to detain Bester by placing him into cuffs, at this time I began asking for paramedics, the Wrap, and

UNR**Narrative**

a spit hood.

Bester was placed into the wrap, and carried down the bleachers to be transported. The entire time he was waiting he was chanting "kill all pigs".

Officer Baker was taken to the hospital, and the bite on Officer Sobkiewicz's leg was examined by paramedics.

Sergeant Conley and Officer McGuire transported Bester to the Washoe County Sheriff Office jail without incident.

A written statement was completed by guest services employee, Charles Lipon who stated that Bester approached gate 10 with a large sign and pulled out his student ID. Lipon told Bester that the sign was too large to be allowed into the stadium, and Bester responded with "why because Colin Kaepernick knelt for no reason". Lipon informed Bester he could bring in a poster the size of a piece of paper. Bester then ran past Lipon, as their staff has a no hands policy they contacted UNRPD.

Officer Olson and I later took Bester to Saint Mary's to get his blood drawn, Bester came back negative for HIV and hepatitis.

The written statement, is attached to the report. As well as 5 photographs uploaded to VeriPic.

Body camera footage is available of the incident.

Narrative

On 09/28/2019, at approximately 1611 hours, I, Officer Baker #123, while working the UNR football game, was notified that there was a subject that was causing a disturbance with guest services in section 9.

Upon arrival, I met with guest services working the check-in area located at gate 10 and they advised me a black male with a large sign ran through them without checking in.

While checking the area, I located the subject matching the description above causing a disturbance with guest services in section 1. As I was approaching the scene, Guest services employee Charles Lipon informed me that they already verbally trespassed the subject due to not checking in and having a sign not up to par with policy standards, but the subject was refusing to leave.

Contact was made with the subject who was later identified as, UNR student Edsel Bester. I asked him why he didn't check in with guest services and he stated, "Because they wouldn't let me in". I then informed him that he has already been trespassed from this ticketed event and that he needed to leave.

Officer Syfrett, Officer Olson, Officer Stewart and Officer Sobkiewicz arrived to assist.

I asked Bester to leave the event due to him already being trespassed and he refused on multiple occasions insisting on being arrested instead. As I went to go place handcuffs onto Bester, he spit in my face and then began to fight officers. In the event of the fight, my knee made a loud pop and I fell to the ground in severe pain. I was pulled from the on-going fight due to several other officer's already having the subject on the ground. As I was witnessing the other officers gaining control of the subject, I could hear Bester spitting on Officers and at one point I heard an officer yell "Don't bite".

Bester was placed into the wrap, a spit hood and then was carried down the bleachers to be transported.

I was then taken to the hospital to have my knee examined.

All others**Narrative**

On 09/30/2019 at approximately 0907 hours, Officer Sobkiewicz and I Officer Green were conducting an area check at 815 Lake Street.

Upon entry into the above location, I noticed that there was a stove appliance on the inside of the Southside doorway blocking entry into the vacant building. I pushed the door open pushing the stove appliance out of the way.

Once I opened the door, I had my gun in the ready position and identified myself announcing that I was UNRPD twice before entry. After identifying myself I heard a male voice announce that he was in a room just west of the entry door.

I ask the male subject if there was anybody else in the building, and the male subject identified a female subject sleeping right next to him.

I began to give the male and the female subject verbal commands. I instructed the two individuals to keep their hands where I could see them. Both the male and female subject complied.

Officer Sobkiewicz notified dispatch that we had two at gun point.

I instructed the male and female subject to exit the building. Once they both exited the building, Officer Sobkiewicz placed both the male and female into handcuffs and sat them both on the ground.

While Officer Sobkiewicz was obtaining their information, I requested UNRPD Officer Gutierrez to help me search and secure the rest of the vacant building. The building was searched and secured.

Once the vacant building was secure, I placed my gun back into the holster.

The male and female subjects later identified themselves as Devontae Malone (male subject) and Jamie Collins (female subject). Both were non UNR Students.

Both Malone and Collins were placed under arrest under NRS: 205.0817 Unlawful Occupancy.

I conducted a SITA search of both Malone and Collins. Malone had a cigarette smoking device in his left pocket, which he admitted that he utilized it for smoking marijuana which did not contain any marijuana substance. I seized the cigarette smoking device for destruction. Collins did not have anything on her person nor any property in her possession.

Both Malone and Collins were placed into my patrol vehicle.

I conducted a SITA inventory search of Malone's property. Malone had a backpack, a pair of shoes and a skateboard. Malone's backpack contained a small box that was filled with hypodermic needles, spoons, small baggies, and a broken pipe all of which did not contain any controlled substances.

I seized the small box containing the above items.

After I conducted a SITA inventory search of Malone's property, I transported Malone and Collins to Washoe County Detention Facility.

Malone and Collins were booked without incident.

Once I arrived at the station, I placed the hypodermic needles into the Sharps Container, and I seized the cigarette smoking device and the broken glass pipe for destruction.

Narrative

On 10/1/19, at approximately 0920 hours, I was dispatched for a male who was camping out near Manzanita Hall. Contact was made with a subject matching the description to the rear of Manzanita Hall by the lake.

Officer Green and I made contact with the subject, and he stated that he had no ID on him so I gathered his information verbally. He provided the name "Brandon Fisher, DOB 12/12/1958". After a pat down for weapons and "Fisher" gave consent to pull out and identify objects in his pockets, I noticed he had papers from Washoe County Detention Center. I asked to see those papers and as he handed them to me, he confessed that his name was not "Brandon Fisher". He stated to provide that information because he was harassed by previous officers in the past.

The subject then provided the name Kevin Taylor, which was confirmed by the paperwork he had from Washoe County and dispatch. After checking the trespass log, Taylor had been trespass from University property back in April of 2019. Taylor was then placed into custody for Trespass.

Taylor was arrested for the Trespass and Providing False Statement/Obstructing a Public Officer.

Taylor was transported to Washoe County Detention Facility without incident.

At Washoe County Detention Center, Taylor was issued another Trespass, valid for 365 days.

Body cam footage available.

Closed by arrest.

Trespassing**Narrative**

On 10/1/19, at approximately 1230 hours, I received a call from Officer Ryan Baker about a subject inside of 801 Lake St. Officer Baker was with Washoe County SWAT to conduct training exercises in the buildings of the 800 block of Lake St (All University property).

Upon arrival, Officer Baker had contacted Solomon Genovese inside the building of 801 Lake St. I spoke with Genovese who had stated he had been staying inside the building for multiple months. He also stated that he had been previously advised by UNR facilities (who were clearing houses prepping them for demolition) that he could be arrested for trespass and staying in the property would be at Genovese's own risk. The building of 801 Lake St. also has a sign located on the front of the building that states "No Trespass".

Officer Green arrived on scene to assist.

I then placed Genovese under arrest for Trespass, not amounting to Burglary.

Genovese was transported to Washoe County Detention Facility without incident.

Closed by arrest.

Narrative						

On 10/01/2019 at approximately 1311 hours, Officer Green was dispatched to the UNR Main Station for a walk-in report in reference to a Destruction of Property that occurred in front of the Knowledge Center.

Upon arrival to the station, UNR Students Kendall Rice and Mark Cota had already filled out statements, and left the station to return to the above location.

After Rice and Cota returned to the above location, I read their statements, and met with them in front of the Knowledge Center.

Both Rice and Cota both had corroborating statements. According to the Rice and Cota, a black male subject approached their Turning Point USA Club table in front of the Knowledge Center at 1250 hours. Once the black male approached the table, he became aggressive and began arguing with Rice and Cota as well as other members at the table. Rice stated, "I tried to see if I could help out, but then he started reaching for the portable speaker attempting to steal it."

According to Rice and Cota, Cota prevented the black male subject from stealing the portable speaker. Once Cota prevented the subject from stealing the speaker, Rice and Cota both stated, "He flipped the table over and ran towards the South end of campus.

At this time, Rice stated, "This guy is in one of, possibly in more of my classes and I do not feel safe." Rice possibly has classes with this individual on (Accounting 201) Tuesday and Thursday from 1500-1615 hours and (Economics 261) on Monday and Wednesday from 1600-1715 hours.

Rice explained to me that she did not feel safe, and requested a Police escort to her class beginning at 1500 hours on 10/02/2019.

I explained to Rice that we had a high volume calls, and I would attempt to provide her with Police Escort to her

UNR**Narrative**

classroom. I also provided Rice with the Duty Phone number and the Central 2 phone number if I did not have an opportunity to provide a Police Escort.

I explained to Rice that if I was not able to provide a Police Escort to call either phone if she recognized the black male subject in her classroom, and I would be there immediately.

Rice did not call the Duty Phone nor the Central 2 phone during her class time on 10/01/2019.

I called Rice at approximately 1733 hours, and I asked her if the male subject was in her classroom. She explained to me that the male subject was not in her classroom.

Rice provided me with video footage of the incident and provided me with the male subject's name. Rice identified the black male subject as UNR Student Kevin Bester Edsel II.

I spoke with Rice this morning on 10/02/2019 at approximately 0940 hours. Rice informed me that when Edsel flipped the table he caused damage to their posters and office supplies in which she estimated a value of approximately 30\$.

Rice also informed me that she had a class on 10/02/2019 at 1600 hours; I informed her again to call the duty phone number if the individual is in her classroom.

Rice contacted the duty phone during her class time on 10/02/2019 between 1600-1715 hours but there was no one available for her to speak to at the time.

I contacted Rice this morning 10/03/2019 and asked her if she would be willing to sign a criminal complaint for NRS: 203.010 Breach of Peace and NRS: 206.310 Destroy Property of Another 25\$-250\$. Rice agreed to come in and provide a signature for both above charges.

Rice arrived to the station and signed both criminal complaints.

UNRPD Officers originally made contact with Edsel on 09/28/2019(Reference Case #UN19573) and Edsel was arrested for NRS: 200.481.2, NRS: 199.280.3 and NRS:207.200.

Due to the circumstances of the above contact with Edsel, I believed that arresting this individual was warranted for Breach of Peace and Destroying Property of Another 25\$-250\$.

The video footage of the incident that was sent by Rice has been burned to a DVD-R Disc and was placed into Evidence locker #6.

Narrative

On October 6, 2019 at approximately 0017 hours, Sergeant Conley and I (F. Syfrett #120) was dispatched to Wolf Pack Tower (516 West Street) room 1563 in regards to an intoxicated subject becoming verbally aggressive to dorm staff. Dorm staff located the student in the elevator, then he went to his room.

UNR student, Matthew Ruiter was located in his bathroom, dorm staff stated he went in there to vomit. Contact was made with Ruiter, who had a liquid down the front of his shirt, red water eyes, had an odor of an alcoholic beverage coming from his person, unstable on his feet, and extremely slurred speech.

Ruiter's roommate stated they had been drinking, Ruiter continuously denied it until he then stated "I'm not gonna lie, I'm really fucked up". Ruiter said he had a couple of beers, then later said he had 5 shots in the dorm, then 2-4 shots where they were out partying. He consented to a preliminary breath test with a result of 0.234% BAC.

REMSA arrived on scene, and Ruiter was medically cleared.

Ruiter did not want to listen to verbal commands telling him to stay on his bed, or stay seated. Ruiter started becoming verbally aggressive again towards dorm staff, and his roommate. He then locked himself in his bathroom again, Sergeant Conley got him to come out to check his welfare.

Ruiter then came into the hallway to show officers his fake identification card, and began throwing his cards and wallet all over the hallway. Ruiter began cussing at all the dorm staff, becoming agitated.

Ruiter resisted us when we placed him into handcuffs, he was being taken for a civil protective custody (CPC). Ruiter began yelling profanities then entire way down the elevator, and physically resisted officers as we were trying to double lock the cuffs. Once we got to my vehicle he refused to get in, and began screaming. Ruiter began kicking the patrol car from the inside, and screaming at dorm staff and myself.

Ruiter was transported to Well Care for a CPC, however, he was refused there due to being uncooperative.

Ruiter was then transported to Washoe County Sheriff Office jail for a CPC, upon arrival Ruiter appeared to be unconscious and sleeping in the back of the vehicle. I conducted a sternum rub on him several times, when he started talking he said that I could stop doing that, he wasn't going to get out of the car. I commanded Ruiter to get out of the vehicle, and told him that at this time he wasn't being arrested for any charges and that he was just here for a CPC. Ruiter got out of the vehicle and said if that's the case let me go, he began walking away from me.

Ruiter began resisting and after I told him to turn around several times he refused, and continued to get closer to me and in my face. I made Ruiter turn around and pushed him against my vehicle holding him in place until deputies arrived to help. Deputy Appleton and Deputy Tucker arrived and he continued to resist, all four of us ended on the ground. Once we got him to sit up and walk Ruiter resisted deputies the entire way in, he then shoulder checked Deputy Tucker into a wall. The Wrap was requested for his and the officers safety. Ruiter continued to resist, and scream profanities while being placed in the Wrap and taken back to be booked.

Ruiter was then charged with resisting an officer, and battery on a protected person.

Deputy Tucker completed a written statement that is attached to the report, and WCSO has video of deputies placing Ruiter in the Wrap if it is needed.

Body camera footage is available of the incident.

Attached to the report includes the CPC form, CPC refusal, a written statement and the probable cause.

Disposition: arrested.

Narrative

On 10/6/19, at approximately 1230 hours, Officer Stewart and I noticed an individual who belonged to part of a camp set up along the fence line of University Property at 920 Valley Rd. With recent break ins to vehicle on that property, we made contact with William Guilliams.

Upon contact with Guilliams he advised that there are several people set up in the camp with him, however no one else was present. While conducting a pat down, Officer Stewart gained consent from Guilliams and pulled a glass pipe and a bag of marijuana in Guilliams pocket. Upon inspection of the glass pipe it appeared to have a white crystal like residue on it.

A warrants check through dispatch confirmed that Guilliams had a warrant for his arrest out of Reno Municipal Court for FTA (Warrant# 18CR-10730 02, 4/30/19). Guilliams was placed under arrest for his warrant.

Guilliams was concerned with his bicycle, so I took the bicycle for safekeeping at the UNRPD main station and gave Guilliams a copy of a property receipt for him to retrieve it at a later date. **UNIVERSITY POLICE SERVICES**

Narrative

On 6 October 2019 at 1230 hours I, Officer Stewart, was on duty in uniform. I asissted Officer Sobkiewicz with the warrant arrest of William GUILLIAMS.

I contacted Reno Dispatch to conduct a records search on GUILLIAMS' bicycle which came back clear. The bicycle was transported to and stored at University Police Services Department by Officer Sobkiewicz.

I transported GUILLIAMS to Washoe County Detention Facility (WCDF) without incident. During the medical screening at WCDF, medical personnel found GUILLIAMS' blood pressure to be 200/174 which is high and caused the medical staff to become concerned that GUILLIAMS might have a stroke. The staff advised me that they would administer medication to GUILLIAMS to help him with his condition.

GUILLIAMS was booked into WCDF without further incident.

Stolen vehicle

Narrative

On 10/9/19, at approximately 1030 hours, while patrolling the east side of UNR campus on Evans Ave I observed a vehicle matching the description of a stolen car (90s Honda, Washington plates with a Kansas City Chiefs sticker on the back window) I heard come over the radio on 10/8/19. I ran the plate (BJP4539/WA) through dispatch and they confirmed the vehicle to be stolen.

I gave out direction of travel and vehicle description for cover units to respond. Once cover units got closer I turned on my lights. The driver, later identified as Austin Moran, continued to drive away westbound on 7th street. I then activated my siren and Moran abruptly turned south on Elko street almost hitting Officer Gutierrez on his motorcycle. Turning off of Elko going westbound on 6th street, Moran went approximately 40 mph through a 25mph and construction zone. Later on in the pursuit he ran a stop sign turning northbound from 7th street onto Valley Road cutting off a Reno Police patrol car. While headed northbound on Valley Road, Moran drove at speeds upwards of 60-70mph in a 30mph zone. That is when N230, either Sgt. Basset or Sgt. Hanifan advised to terminate the pursuit.

UNR

Narrative

I terminated the pursuit shutting off my lights and sirens, but noticed the vehicle turn into a dead end at an apartment complex on the 600 block of Sadleir. I advised the other units that I observed this, and immediately after a Reno Officer saw Moran running eastbound on Sadleir. Reno Officers caught up to Moran in front of 657 Sadleir and Officer Moore advised that he and Officer Waddle had him at gunpoint.

I parked my patrol car behind the Honda which was crashed into a tree, and I caught up with the Reno Officers while they were giving verbal commands. Reno Officers walked him back and Officer Gutierrez and I went hands on to detain him without incident.

After detaining Moran, I went back to the scene of where the vehicle was left to speak with Officer Gutierrez and Officer Stein and see if there was any evidence to link Moran to being the driver of the vehicle. Upon inspection of the vehicle, a cell phone and a black backpack was found in the vehicle. When moving the cellphone "awake" it had a message with Moran's name on it. A paper was also found in the back of the vehicle which was a handwritten bill of sale from a Josh Miller to Moran, however the vehicle is not registered to anyone named Josh Miller. Moran claimed the bill of sale is for a different vehicle.

The vehicle was observed to have a broken handle on the right side of the steering wheel, as well as scissors shoved into the ignition to start the vehicle.

After returning to Officer Moore, he informed me that Moran had a Warrant for his arrest. (FTC - Graffiti, Warrant # RCR2018095074, \$5000 bondable). Officer Moore then Mirandized Moran in my presence before any questioning about the circumstances related to the vehicle. Moran acknowledged these rights and wished to speak with us and explain his side of what happened.

After being Mirandized, Moran gave his side of the story. A summary of the conversation is as follows:

Moran borrowed the car from a man named "Nate" who was staying at Motel 6. "Nate" let Moran stay with him because Moran gave him a bag of meth to stay in the room. Moran stated that he watched "Nate" start the car with a half pair of scissors because "Nate" didn't trust Moran with the keys. He originally was in the car to go pick up a girl at the Sands and bring her back to the motel. Moran admitted to driving the vehicle and going approximately 60-70 mph because he wanted to avoid going to jail since he had a warrant. Moran stated that he heard the sirens of the police vehicles, but did not notice the lights because when he gets focused in on something, he zones in so that he wouldn't hit anything. Moran then described his phone (black Samsung touchscreen, with a background of a skeleton) which matched the phone Officer Gutierrez found in the vehicle. Moran also described his backpack, the clothing and needles inside of it (same as the backpack in the vehicle).

After placing Moran in the back of Officer Stein's patrol car, I went back to the vehicle and met with Officer Greenwell who arrived on scene to assist with the recovery of the vehicle. Officer Greenwell was able to get ahold of the mother of the owner to the vehicle and she came to recover the vehicle.

Moran was then transferred into my patrol car, which I then transported Moran to the Washoe County Detention Facility without incident.

Refer to Officer Moore's report (RPD 19-20302) for information on the Warrant and his involvement within the call.

Refer to Officer Greenwell's report (RPD 19-20234) for recovery of the vehicle.

Bodycam footage available.

"Bill of sale" attached.

Closed by arrest.

Narrative

On 10/09/2019 at approximately 2106 hours, I Officer Green observed an unlicensed grey 4 door Chevrolet SUV traveling west on Ninth Street. I determined for the above reason's contacting the driver of the vehicle was warranted.

I initiated the stop on Ninth Street and Center Street. The vehicle continued driving, and pulled into the Jackson's Gas Station Parking Lot into a parking spot.

Upon contact with the driver, I requested that the driver provide me with a Driver's License, Registration and Insurance. The driver was unable to provide the above information.

The driver provided me with his name, date of birth and Social Security number. The driver identified as himself as Dillon Beck.

Officer McGuire arrived to assist.

A records check of Beck, using the information provided by him, revealed that he had two warrants. The first warrant was out Reno Municipal Court and the second warrant was out Sparks Township Justice Court.

1.) FTP-RMC (RMC 1.04.050B/\$365/issued on 09/14/2019/warrant #17TR-13868-W03).

2.) FTA-SJC (SJC 484A.670/\$330/issued on 07/29/2019/warrant #19-SCT-03169-1).

After dispatch informed me of the above information, I placed Beck in handcuffs double locked them and checked for tightness.

Beck was placed into my patrol vehicle.

Beck's mother arrived who he identified as Karen Beck. Mrs. Beck was concerned about the vehicle. I informed her that the vehicle is not legal to drive. She ask me if she could leave the vehicle in the parking spot. At this point, I went ask the employee at Jackson's if the vehicle could be left in the parking spot. The employee advised Mrs. Beck that the vehicle could be left in a separate spot on the property. Mrs. Beck complied.

Before Mrs. Beck could move the vehicle, both warrants were confirmed through dispatch.

After both warrants were confirmed, I transported Beck to the Washoe County Detention Facility, located at 911 Parr Boulevard, where he was booked accordingly and without incident.

Bodycam footage was uploaded to Evidence.com and is available upon request.

Narrative

On 11 October 2019 at 1414 hours I, Officer Stewart, was on duty in uniform and a marked patrol car. While patrolling the area near Valley Road on Sadlier Way, I observed an individual riding a bicycle westbound on the eastbound side of the road.

I stopped the individual and verbally identified him as Braden JOHNSON since he had no ID on his person. When asked, JOHNSON provided me with his name, birthday, and social security number.

Officer Moore from Reno Police Department (RPD) arrived to assist. Officer R Baker arrived to assist.

A records check of JOHNSON found that RPD had probable cause to arrest JOHNSON for posession of a stolen motor vehicle. JOHNSON was placed into handcuffs without incident. Officer Moore went to the RPD station and retrived the probable cause (PC) sheet. A records check of the red/black Giant brand bicycle JOHNSON had been riding came back clear. JOHNSON stated that the bicycle belonged to a friend, but he did not have any way to contact the owner. JOHNSON agreed to have the bicycle stored at UNRPD station for safe keeping and was given a property receipt. Officer Baker took posession of and transported the bicycle.

When Officer Moore returned with the PC sheet, JOHNSON was placed into the back of my patrol car, transported to and booked into Washoe County Detention Facility without incident.

UNR**Narrative*******Supplement to original*****

On 10/14/19, approximately 1530 hours the reporting party, Sierra Jackson, that called from the blue phone earlier in the day came into the UNRPD main station to file a written report. Officer B. Baker took the written statement and forwarded it to me.

The written statement goes into detail about her experience with Grimmette and why she called on the blue phone. Summarized below:

Jackson left her apartments and saw Grimmette standing near the leasing office. As she walked by, Grimmette yelled at her and began to follow her. She stated to start to speed up her pace, and everytime she increased her speed (even up to running) that Grimmette did the same and continued to chase her. Once she got down to the baseball field parking lot, there were UNR workers who stayed with her while she called. Then Grimmette charged her but the workers stopped him. Grimmette then hung around the parking lot near by until police showed up.

See statement for full details.
